In Conformity With Law.

I. J. M. EBRIFE, Treasurer of Log in County, Ohio, hereby notify the Tax Pavers thereof that the rate of taxation for the year county. In addition to the above are such special taxes as may be placed on the duplicate according to law, and collectable by the County Treasurer.

One-half of the taxes levied, together with all delinquencies of former years, road and dog tax, are required to be paid on or before the 20th day of December, 1898, and the remaining half must be paid on or before the 20th day of June, 1899. The Delinquent Land List will be published immediately after the 20th day of December, 1898, and the lots and lands on which the taxes remain unpaid will be offered for sale on the third Tuesday of January, 1899

Tax Payers are particularly requested to bear in mind that where one-half of chattel taxes are not paid on or before the 20th day of December, the whole tax becomes due and delinquent and the same will be committed to deputies for collection, with legal penalities added, as soon thereafter as the list can be prepared.

Supervisor's receipts for road taxes must be presented at the time of paying Pecember taxes—otherwise-they are not entitled to payment.

An equal distribution of the burdens of taxation requires that all taxes be collected as well as assessed. It is my intention to do everything possible to accomm adab, the taxpayer, but all taxes charged on the duplicate will be collected as nearly as possible. Persons writing for information concerning taxes, will please be particular to describe the property, giving names of owner; township or corporation where situated, and when ownership has recently changed, give nave of former owner.

Persons destring to pay taxes through the mails can remit by Registered Letter, P. O. Money Order: Express Money Order or Bank Draft.

When checks are received for taxes and not paid on presentation, the taxes will be restored to the duplicate without notice.

Tax payers are especially urged to call early and pay, and avoid the road
